SUMMARY

Frontend Developer with hands-on experience building responsive web applications using HTML5, CSS3, JavaScript, Tailwind CSS, and React.js. Familiar with MERN Stack development, REST APIs, Git, and CS fundamentals. Passionate about clean UI design, user experience, and learning modern web technologies.

SKILLS

Languages: C, C++, Python, JavaScript
Frontend: HTML5, CSS3, Tailwind CSS, React.js
Backend (Learning): Node.js, Express.js, MongoDB, REST APIs
CS Fundamentals: DSA, OOP, Operating Systems
Tools: Git, GitHub, VS Code, Postman, Vercel

EXPERIENCE

Frontend Developer Intern (Remote) *07/2025 – 09/2025*
Simplilearn

- Built responsive web apps using HTML5, CSS3, JavaScript, and Tailwind CSS; improved mobile compatibility.
- Collaborated on UI development and debugging tasks to enhance user experience across projects.

MERN Stack Development Training *2024 – 2025*
30DaysCoding (Online Course)

- Completed structured MERN Stack training; built practice projects covering frontend and backend concepts.

PROJECTS

Weather App – *HTML, CSS, JavaScript, REST API*

- Responsive weather app integrating a public API for real-time data; mobile-friendly UI with clean UX.

E-Commerce Platform (Frontend) – *HTML, CSS, JavaScript, Tailwind CSS*

- Built responsive product pages, navigation bar, and cart UI using modern frontend design practices.

To-Do App (Task Manager) – *HTML, CSS, JavaScript*

- Task management app with add/update/delete features, responsive layout, and interactive UI.

EDUCATION

Bachelor of Technology – Computer Science & Engineering *2023 – 2027*
Chaudhary Devi Lal State Institute of Engineering & Technology, Sirsa, Haryana *GPA: 7.2 / 10*

CERTIFICATIONS

Frontend Web Development – IBM SkillsBuild | MERN Stack Development – 30DaysCoding | Web Development Internship – Simplilearn

ACHIEVEMENTS

- Built and deployed multiple responsive frontend projects; 3+ public repositories on GitHub.
- Completed frontend internship and MERN Stack training with hands-on project experience.
- Strong foundation in frontend fundamentals: semantic HTML, CSS layouts, and modern UI design.
